Revised EBITDA Forecast

Media Technology Group Limited (MTG) advises that its EBITDA forecast for the year ended 31 March 2005 has been revised from \$1.3 million to \$750,000.

The reduction in the forecast has been caused by the deferral into the first quarter of the 2005/06 fiscal year of several large customer orders which had been expected to be closed in February and March 2005.
